SCHOOL OF SENSUAL MASSAGE / MAN-TO-MAN TRAINING

Touch & Turn On Advanced Training

6 HOURS / TWO PRIVATE 3-HOUR MODULES

Greater skill. Better judgement.

Integrate specialised elements into a full-body massage with attention to comfort, timing, communication and consent.

FOUNDATION + INTERMEDIATE PREREQUISITE / FROM £950

Build on your existing skills

Private, personally guided training with male receivers.

WHO THIS COURSE IS FOR

Men who have completed Touch & Turn On Foundation and Intermediate, or have equivalent experience agreed with Colin. Advanced assumes you can already give a coherent, responsive massage and are ready for more specialised elements.

TWO PERSONAL MODULES

This six-hour course is taught across two separate three-hour modules, normally with a different receiver each time. The interval lets you absorb feedback before returning for more independent practice.

A TAILORED CURRICULUM

Colin adapts the practical training to your ability, confidence and progress at the time, and to each male receiver's consent and comfort. Every optional element can be declined or stopped.

Explore, then integrate

Discussion, demonstration, practice and direct receiver feedback.

MODULE ONE / ADVANCED EXPLORATION

Discuss consent, hygiene, anatomy and boundaries. Colin demonstrates selected Advanced elements within the receiver's limits. Integrate agreed elements into a complete massage with guidance on pace, pressure and transitions.

MODULE TWO / INTEGRATION AND INDEPENDENCE

Review your first session and identify what needs refinement. Give a more independent Advanced massage, choosing techniques responsively. Receive feedback from Colin and the receiver and discuss continued practice.

LEARNING FROM DIFFERENT RECEIVERS

Bodies, sensitivities, mobility, boundaries and responses differ. Working with more than one man helps you avoid assuming a universal formula.

Advanced course elements

The following list is drawn from the supplied male-to-male elemental chart.

- Mutual oral positioning
- Body-on-body with anal rimming
- Spanking
- Dominant / assertive techniques
- Sex toy stimulation
- Frottage
- Speed-bump cushion penis / anal stimulation
- Incorporating the giver's ejaculation

These are potential course elements, not a fixed checklist or a promise that every technique will be taught. Earlier Foundation and Intermediate skills may be revisited. All practical choices depend on the student's ability and the receiver's agreed boundaries.

Choose your receiver arrangement

Both options include the complete six-hour Advanced course.

OPTION ONE / TWO MALE VOLUNTEERS

Two different male volunteer receivers across the two three-hour modules.

£1,000 / Deposit £500

OPTION TWO / PARTNER OR FRIEND + VOLUNTEER

One module with your male partner or intimate friend and one with a male volunteer.

£950 / Deposit £475

WHAT IS INCLUDED

Personal tuition, practical sessions, demonstration and correction, receiver feedback, towels, oils and use of the private teaching space. Receiver selection and both module dates are agreed before booking.

A 50% deposit secures the agreed dates. The balance is due the day before training begins. Confirm the payment arrangements and read the cancellation and postponement terms before paying.

Discuss your Advanced training

An enquiry begins a discussion of your experience and goals; it does not book a course.

01 / DESCRIBE YOUR EXPERIENCE

Explain your previous Touch & Turn On training or equivalent experience, your aims and whether you plan to bring a male partner or friend.

02 / DISCUSS SUITABILITY

Review the Advanced level, receiver arrangements, practical boundaries, availability and fee.

03 / REVIEW THE DETAILS

Read the full course description and cancellation terms before agreeing both module dates.

04 / SECURE YOUR PLACE

Once dates are agreed, pay the 50% deposit or discuss an instalment arrangement.
